**Dear US Dept. of Agriculture:**

***This is letter is to agree with the proposal to stop the forced moulting of chickens, and other poultry birds.***

***From what I have read, these conditions are disgusting, and unhealthy for human consumption both !***

***I too feel it is neccessa ry to do something sanita ry and to stop these obviously filthy practices! It is horrible to treat any of God's creations this way, and I am surprised we don't all get some sort of disease from eating this food. But of course, cancer is on the rise again. So, there you go!***

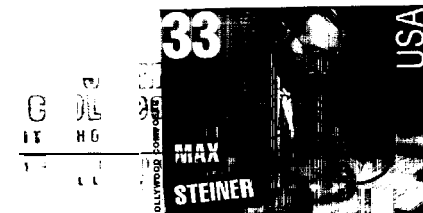

**Sincerely,**
